ENVIRONMENTAL MONITORING

Autonomous Measurements System
Real-time Data - Predictive Analysis

Receive alerts
in real-time and take
decisions with our
preventive alert system

CONNECTED WATER

Reduce your cost of Environmental monitoring

MODULARITY OF SYSTEMS

Aquaculture, Bathing Water, Port Water

LOW-ENERGY

Autonomous system with solar panels

LONG-RANGE TRANSMISSION

LoRa network...

ALERTS AND DATA ANALYSIS

Machine Learning, Bio-prediction

BIO-PREDICTIONS

Bacterial, micro-algal contaminations
