

ZEPHYR  
GROUP

**Your global partners  
for engine spare parts  
and technical support**

# THE ZEPHYR GROUP

The **Zephyr Group** brings together **Zephyr and SKV**, two of the world's leading independent **gas and diesel engine spare parts** distributors, to create a global powerhouse for the **marine and power plant markets**.

With the largest range of OEM spare parts worldwide and more than 200 years experience, we serve over 1.500 customers in 70 countries, with over 30 official partners and 5,000m2 of warehousing.

## ABOUT ZEPHYR

**Zephyr**, founded in La Spezia in 1974 - Italy, specialises in supplying quality spare parts for large diesel and gas engines to the shipping and power plant markets. With its extensive stock of **high quality spares** guaranteeing a **wider stock** and greater efficiency in delivering products to customers and partners.

## ABOUT SKV

The history of the **SKV** goes back to engine manufacturers in the second half of the 19th century. Since then, they have built 3,500 diesel engines, of both 2 and 4 stroke, **produced under official license from the major engines manufacturers**. The **vast experience** we have gained from this has made us unique in our industry, with the **ability to supply high quality spare parts** to a wide range of engines.

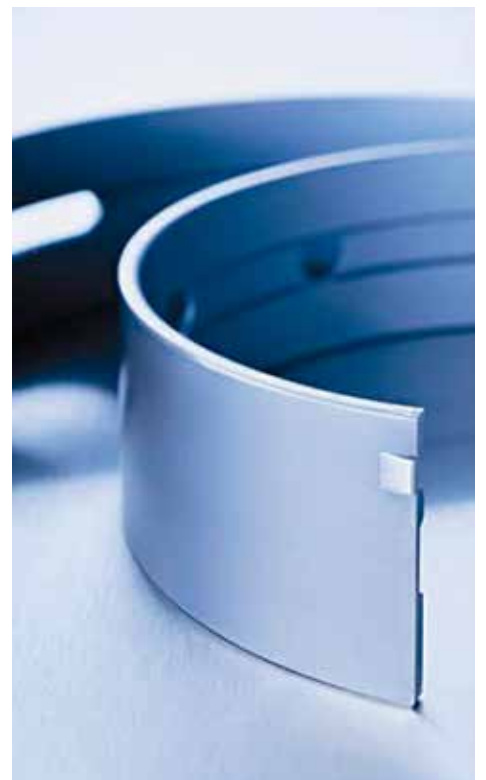

## OUR PRODUCTS

We work with the widest range of **OEM spare parts suppliers** worldwide, and guarantee the highest quality parts for the shipping and power plant markets.

With over 5000 m2 of warehousing located in La Spezia and Bilbao, the Zephyr Group stocks over 10 million Euros worth of **diesel engine components, auxiliary components, condition-based maintenance tools** and others spare parts like **stern tube seals, marine exhaust gas scrubbers** and **epoxy products**.

We continually maintain stock levels to ensure we deliver the parts you need, right away. Our wide and comprehensive product portfolio offers you a complete one-stop shop.

## OUR SCOPE OF SUPPLY

The Zephyr Group supplies a complete range of 2 and 4-stroke engine parts for most engine manufacturers from the widest range of reputable and reliable supply partners.

Our **extensive knowledge** has been built up over many years through **proven experience** in both manufacturing engines under licence and supplying spare parts for many of the main engine manufacturers.

This combined expertise gives you the confidence that the Zephyr Group can support you with spares for the vast majority of 2 and 4 stroke engines.

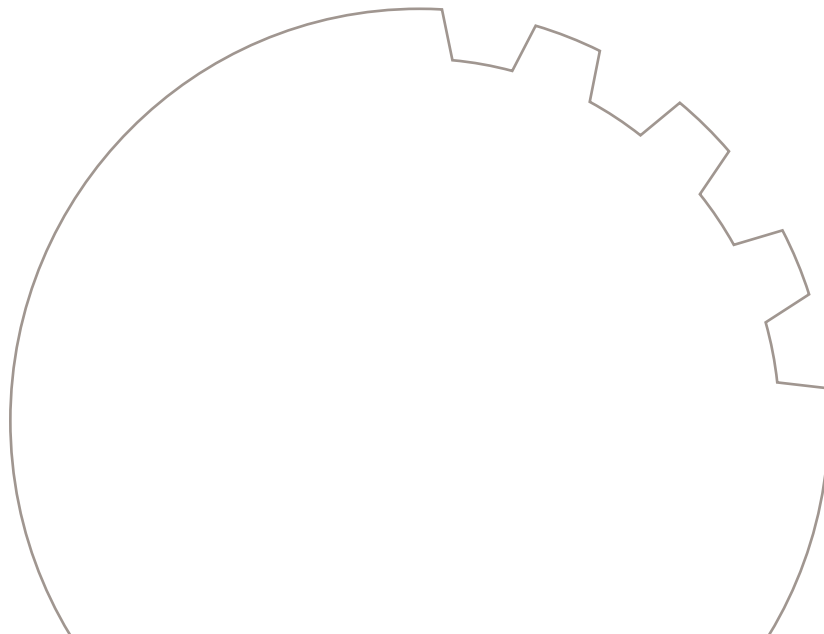

---

## SERVICES

After 150 years of experience working hand in hand with the best companies in this sector, we are a strong, knowledgeable team. These qualities have constantly enhanced our **service in the repair and overhaul of marine engines** and have made us become increasingly efficient and competitive. In addition to **working on board**, we can review and **repair parts in your dockyard** within a short time frame in order to keep the ship sailing. We have also a **reconditioning service** exchange in order to reduce costs. Our maintenance and repair services provide a 12-month guarantee.

- Reconditioning of cylinder heads and exhaust valves spindles
- Swing base reconditioning of cylinder heads, governors, turbochargers and more
- In service repairs
- Repair and overhaul in dockyard

# WHAT SETS US APART

## QUALITY PARTS YOU CAN RELY ON

All our parts are sourced from the highest quality OEM suppliers, and are tested and inspected before arrival at our warehouses and again on dispatch.

## FAST DELIVERY

We use the fastest possible delivery to reduce downtime and keep you operating. Our extensive stock levels mean that we can usually fulfill complete orders immediately.

## 24/7/365 SUPPORT

We're here to support you with your needs around the clock, giving you the reassurance that your enquiry will be answered promptly and efficiently.

## FLEXIBLE PROBLEM-SOLVING

We don't just sell spare parts, we help to solve your problems. No matter how complex a problem, we strive to find solutions.

## OUR TEAM

We believe in teamwork and personal relations with our clients. We're at your disposal to support, assist and solve any kind of problem quickly and effectively.

## SUSTAINABLE PROCESSES

We employ safe and sustainable processes throughout our operations, recycling packaging materials and operating paperless offices with a focus on energy efficiency.
